**Manipulation:** No known danger

### **8. Exposure controls/personal protection**

None

## 9. Physical and chemical properties

**Physical state:** Dark Brown liquid

**Smell:** sulphurous

**Solubility:** G.O.Bud™ is readily soluble in water

## 10. Stability and reactivity

**Dangerous decomposition:** None

**Chemical incompatibility:** None

No dangerous polymerization

## 11. Toxicological information

Not believed to be toxic

## 12. Ecological information

This product is biodegradable. Dilute with water.

No known toxicity

Ecological impact: No known risks

## 13. Disposal considerations

Waste disposal: Follow local regulations

## 14. Transport information

Ingredients not listed

## 15. Regulatory information

Not listed

## 16. Other information
